ISOMATE® OBLR/PLR PLUS
A MATING DISRUPTION FORMULATION FOR OBLIQUEBANDED LEAFROLLER
(Choristoneura rosaceana), PANDEMIS LEAFROLLER (Pandemis pyrusana)

ACTIVE INGREDIENTS:
Z-11-Tetradecen-1-yl Acetate .............................. 88.97 %
OTHER INGREDIENTS ...................................... 11.03 %
TOTAL .......................................................... 100.00 %
226.82 mg active ingredients per dispenser

KEEP OUT OF REACH OF CHILDREN
CAUTION

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
Avoid contact with skin, eyes or clothing. Harmful if absorbed through skin. Causes moderate eye irritation. After handling, wash thoroughly with soap and water before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

FIRST AID STATEMENT
IF ON SKIN OR CLOTHING:
• Remove contaminated clothing.
• Immediately rinse skin for 15-20 minutes using plenty of water.
• Contact a poison control center or doctor for treatment advice.

IF IN EYES:
• Hold eyes open, slowly and gently rinse with water for 15-20 minutes. If wearing contact lenses, rinse eyes for 5 minutes, remove contact lenses, then continue rinsing.
• Contact a poison control center or doctor for treatment advice.

HOT LINE NUMBER:
• Have the product container or label with you when contacting a poison control center or doctor, or going for treatment. You can call the poison control center at 1-800-222-1222.
• You may also contact Pacific Biocontrol at 1-800-999-8805 for additional information.

ENVIRONMENTAL HAZARDS
For terrestrial uses: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of this product.

MADE IN JAPAN

NET CONTENTS: 400 Dispenser Units
One dispenser contains 0.0099 fl oz or 255.45 mg
Total content of package: 3.95 fl oz or 102.18 g

ISOMATE® is a registered Trademark of Pacific Biocontrol Corporation.

DIRECTIONS FOR USE
IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING
It is CRITICAL that ISOMATE OBLR/PLR PLUS is applied as directed.

Crops
Apples, pears and other pome fruits; peaches, apricots, plums, cherries and other stone fruits.

Target Pest
Obliquebanded leafroller (Choristoneura rosaceana) and pandemis leafroller (Pandemis pyrusana).

Rate
Minimum of 200 dispersers per acre (1.75 fl oz or 45.36 g a.i. per acre) or 500 dispersers per hectare. Maximum of 400 dispersers per acre or 1000 dispersers per hectare (3.5 fl oz or 90.73 g a.i. per acre). Apply double rate of dispersers to edges of orchard. Do not exceed 150 g (or 693 dispensers) a.i. per acre per year.

Application
Place dispensers on lateral branches in upper third of tree canopy. Apply dispensers uniformly in the treated area.

Timing
Apply prior to leafroller emergence in the spring. If subsequent applications are required, apply prior to the start of subsequent flights. Consult your local pest control advisor or Pacific Biocontrol representative for proper timing or estimated dispenser longevity in your area.

Note
Isomate OBLR/PLR Plus suppresses mating of target pests. Immigration of mated female moths of these species from adjacent external sources of infestation will reduce the level of control. Manage by:
• a. Treatment of external sources of infestation with Isomate OBLR/PLR Plus.
• b. Treatment of external sources of infestation with an effective insecticide.
• c. Treatment of pheromone treated field with insecticide.

Area wide application is most effective. Supplementary applications of insecticide are advised when Isomate OBLR/PLR Plus is used in orchards with high pest populations. All pests must be monitored so that timely intervention with insecticides is possible.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage
Store in original unopened package in a dry location at temperatures below 40°F. To prevent contamination with food or feed, store only unopened product packages in cold storage facilities that are used for food or feed.

Pesticide Disposal
Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal
Nonrefillable container. Do not reuse or refill this container. Dispose of empty foil packet in the trash.

WARRANTY AND LIMITATION OF DAMAGES
The directions for use of this product are believed to be adequate and must be followed carefully. Pacific Biocontrol Corporation warrants that the product complies with the specifications expressed in this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation makes no other warranties, and disclaims all other warranties, expressed or implied, including but not limited to warranties of merchantability and fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation's liability or default, breach of warranty or liability with respect to this product and/or its components and/or their use shall be limited to the amount of the purchase price paid to Pacific Biocontrol Corporation. To the extent consistent with applicable law, Pacific Biocontrol Corporation shall have no liability for damages (special, consequential or incidental) that result from handling, storage and use of this product, which is not in compliance with the label. Use of this product implies all directions of this label have been read carefully. Read all directions carefully.
