One dispenser contains 0.004 fl oz or 103.98 mg

Total content of package: 1.98 fl oz or 51.99 g

ISOMATE® is a registered Trademark of Pacific Biocontrol Corporation.

DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

It is **CRITICAL** that ISOMATE LPTB Plus is applied as directed.

Crops	Peaches, nectarines, apricots, plums, cherries and other stone fruits; almonds and other tree nut crops; ornamental nursery crops.
Target Pests	Lesser peachtree borer (<i>Synanthedon pictipes</i>), greater peachtree borer (<i>Synanthedon exitiosa</i>).
Rate	150 dispensers per acre or 325 dispensers per hectare (0.52 fl oz or 13.57 g a.i. per application). Do not exceed 150 gm a.i. (or 1,659 dispensers) per acre per year.
Application	Place dispensers on lateral branches as high as one can reasonably reach into the upper canopy of the tree when standing on the ground. Apply dispensers uniformly in the treated area.
Timing	Apply prior to moth emergence in the spring. If subsequent applications are required, apply prior to the start of subsequent flights. Consult your local pest control advisor or Pacific Biocontrol representative for proper timing or estimated dispenser longevity in your area.
Mode of Action and Management	ISOMATE LPTB Plus suppresses mating of target pests. Immigration of mated female moths of these species from adjacent external sources of infestation will reduce the level of control. Manage by: <ul style="list-style-type: none"> a. Treatment of external sources of infestation with ISOMATE LPTB Plus. b. Treatment of external sources of infestation with an effective insecticide. c. Treatment of pheromone treated orchard with insecticide.

Areawide application is most effective. All pests must be monitored so that timely intervention with insecticides is possible.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage	Store in original unopened package in a dry location at temperatures below 40°F. To prevent contamination with food or feed, store only unopened product packages in cold storage facilities that are used for food or feed.
Pesticide Disposal	Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility.
Container Handling	Nonrefillable container. Do not reuse or refill this container. Dispose of empty foil packet in the trash.

WARRANTY AND LIMITATION OF DAMAGES

The directions for use of this product are believed to be adequate and must be followed carefully. Pacific Biocontrol Corporation warrants that the product complies with the specifications expressed in this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation makes no other warranties, and disclaims all other warranties, expressed or implied, including but not limited to warranties of merchantability and fitness for a particular purpose or otherwise, that extend beyond the statements made on this label. To the extent consistent with applicable law, Pacific Biocontrol Corporation's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Pacific Biocontrol Corporation shall have no liability for damages (special, consequential or incidental) that result from handling, storage and use of this product, which is not in compliance with the label. Use of this product implies all directions of this label have been read carefully. Read all directions carefully.
